RECEIVED
MAY 29 1981

DIVISION OF
OIL, GAS & MINING

Dear Mr. Feight:

I would like to invite you to participate in a portion of Tosco Corporation's next Environmental Affairs Conference which I believe will be of interest to you. This will take place on June 14 and June 15 at Bottle Hollow Resort in Fort Duchesne, Utah. The quarterly conferences are intended to provide Tosco personnel the opportunity to review and discuss environmental issues of concern to the company. Because this conference will focus in part on Tosco's oil shale plans in Utah, we have decided to invite a limited number of people from outside the company to join us.

As you may be aware, Tosco is currently preparing advanced plans for its Sand Wash Oil Shale Project near Vernal, including the acquisition of environmental permits and completion of an environmental impact statement. The program on June 15 will focus on environmental planning for oil shale, with specific attention devoted to the Sand Wash Project. Sessions on overall project design and environmental permit planning, socioeconomic impacts, governmental environmental policies affecting oil shale development, and preparation of the environmental impact statement are scheduled. Additionally, we will visit the Sand Wash Project site on Monday afternoon to learn how an environmental baseline program is structured and conducted, and to review geologic factors affecting plant siting and mining. In addition to the Monday sessions, we have scheduled a raft trip down the Green River and a barbecue at Bottle Hollow for Sunday, June 14. You are cordially invited to participate in these activities, as well as attending the conference sessions.

Please let my office know as early as possible whether you will be able to attend, so that we can make appropriate arrangements. If you are unable to attend, we would be pleased to have a member of your staff join us. I am looking forward to hearing from you, and seeing you at the conference.

Sincerely,

A handwritten signature in cursive script, reading "Roger D. Chittum". The signature is written in dark ink and is positioned above the typed name.

Roger D. Chittum
